What is GIFT?

The commitment to attend Mass every Sunday is strongly emphasized in our parish as THE weekly commitment of every Catholic. GIFT is our *monthly* Faith Formation program that flows from that, giving *ALL* members of our community an opportunity to continue learning and **Growing In Faith Together**. Adults of every age and stage of life are encouraged to attend.

All registered students and parents must show a commitment to attend the GIFT sessions.

For convenience, the one-hour GIFT sessions are offered twice.

Elementary and middle school children attend one version of GIFT while parents and older students attend the adult session.

Ideally, every GIFT session:

- Is about Jesus
- Includes prayer
- Is interactive
- Equips participants with truth to share or defend the Catholic faith
- Provides a bridge to keep the conversation going after the session ends
- Begins and ends on time

A full schedule of GIFT sessions will be provided.

This program will run from October through May.
